## Call for Sponsors

The Mid-Atlantic ADA Center invites companies, organizations and agencies to become sponsors of the 22nd annual Mid-Atlantic ADA Update. As a sponsor, you will have the opportunity to increase your visibility within the disability community. Conference attendees will include architects, designers, code officials, ADA Coordinators, state and local government officials, business owners, human resource professionals, educators, service providers, and individuals with disabilities and their family members. Last year we had over 250 attendees from fourteen states.

Without our valued sponsors, we could not offer a high quality, affordable event to the many individuals involved in implementing the Americans with Disabilities Act. Your sponsorship of this conference is a strong statement about your organization's commitment to full inclusion of people with disabilities.

Sponsorships and recognition information is given below. If you wish to be contacted regarding a sponsorship, please contact Barbara Van Dyke at [ADAtaining@transcen.org](mailto:ADAtaining@transcen.org) or call 301 217 0124.
